**MECHANICAL
BULLS**

7+
AGE RATED

MECHANICAL BULLS bring the rodeo home to your party! One of the most popular rentals because it is rideable by guests of nearly all ages. Automatic computerized controls can be adjusted to any skill level, automatically controlling the speed of rotation and bucking. Should a rider fall, they land upon a walled full air bag.

These are not the old style rodeo trainers that exceed most normal folks skills, today's mechanical bulls are designed for entertainment of all ages (children through adults) and from novice to expert. They are also lower to the ground, reducing potential impact.

Today's mechanical bulls are a great addition to any party and almost as much fun to watch as it is to ride! Costs have come down significantly, request a full quote with delivery at <http://quotes.amerevent.com>.

- Mechanical ride motor base, control box, air bag and blower. Just add any multi-ride body! (Mechanical bull body shown.)

NOTICE: EQUIPMENT STYLES AND COLORS WILL VARY. PLEASE VISIT YOUR LOCAL WAREHOUSE TO VIEW ACTUAL EQUIPMENT.
