NOTES: Order separately: sidewalls, window walls, doors, wind kits, lights, pole décor, liners, HVAC, fans & flooring. Tents >50-ft wide may require quarter poles for safety. Wind kits available for all tents. Flat ridge pole tents 60-ft+ wide may have quarter poles. Single or double center pole only tents available, but wind kits recommended. Over 500 tents available, tent lengths are changeable. Use is subject to the [Safe Equipment Use Policy](#), [Wind Ratings](#) and [Tent Quality Ratings](#). Select the correct grade of tent you want. Grade "B" is standard, "BA" adds 10%, grade "A" adds 40%, grade "C" decreases 10%. Grade A and BA are limited availability, however an option is to install a linen tent liner to upgrade the inside of any tent to grade A.
